

SELF-ADHESIVE PROTECTION FOIL HARD-FLOOR

Datasheet

Quality Covers Self-Adhesive Protection Foil Hard-Floor is the ideal choice for covering hard surfaces. The self-adhesive layer on the outside makes the product easy and quick to use, even on stairs.

Material composition

Waterproof LDPE layer with acrylic-based adhesive. Adhesive layer on outside of roll.

Specifications	
Dimensions	0,7mx60m
Packaging	Packed in foil on euro pallet
Color	White
Usability	Max. 1 month. With prolonged exposure to sun, deployment time becomes shorter
Storage	Max. 6 months (store at room temperature, cool and dry, preferably in original container)

Area of application

Self-adhesive Protection Foil Hard-Floor has been specially developed for hard substrates such as wood, tarpaulin, laminate, parquet and concrete.

Properties

- Easy installation and removal
- Little waste
- Leaves no residues
- Wear and tear resistant
- Excellent adhesion
- Perfect for flat and non-level surfaces
- Anti-skid layer on top

SELF-ADHESIVE PROTECTION FOIL HARD-FLOOR

Datasheet

Processing

- Make the substrate dry, clean and dust-free
- Switch off underfloor heating
- Lay the self-adhesive protective film hard-floor flat on the subfloor
- Overlap by 10 cm
- Always test beforehand whether the product is suitable for the subfloor

Notes

Quality Covers self-adhesive protection foil hard-floor is not suitable for PVC and vinyl floors. Also not for newly laid floors that still need to breathe or harden, in which case we recommend Quality Covers Breathable liner.

Self-adhesive protection foil hard-floor is not resistant to aggressive substances, the substrate must be permanently dry, clean, free of dust and solvents. If the protective self-adhesive film is damaged, it must be replaced.

Our application recommendations are to support the buyer or processor and are based on our testing and experience. You are responsible for checking the suitability for the intended purpose, for example by testing on a small area. The manufacturer assumes no liability for any damage that may occur.
